

## Board of Directors

### Jack Chute

Director

Jack Chute joined the Board of the Hospice in June 2011. He brings to the Board a background in Human Resources and employee benefits.

Born in Portland, Maine, he attended St. John's University in New York City for his Bachelors Degree and then went on to pursue his MBA studies at the Bernard Baruch School of Business Administration.

Jack has a long history of working in the employee benefits field. In 1982, he formed John Chute & Associates. Never wanting to be known by his clients solely as "the benefits guy", Jack seized, an opportunity to invest in a unique firm, HR-on-Demand, Inc. Now, John Chute & Associates, in partnership with HR-on-Demand, Inc., is able to offer employers in the healthcare community the best in benefit plan design, costing, and communication assistance coupled with the ability to provide quality support in all areas serviced by the human resource department.

Routed firmly in the belief that one must give back to the community, Jack and his firm support all not-for-profit clients in their fund raising efforts – through such avenues as volunteer work with the Foundations, as well as sponsoring events such as the annual galas and golf tournaments, and undertaking certain pro-bono work.
