

Board of Directors

Vivia McCalla

Director

Vivia McCalla joined the board in July 2009. She offers over 30 years experience in clinical and medical /health management, both institutional and community. She is a Diabetes Nurse Educator with Women's Health in Women's Hands Community Health Centre. Vivia is a graduate of York University.

Vivia says she is honored to be involved with an organization that has always been accountable to its share holders and strives to achieve the best while showing compassion.
